Midtown is a contemporary lifestyle group for girl's or boy's that offers unique storage bed configurations.

Midtown is offered in a dark cherry color finish and accented with oval shaped polished chromed color hardware. The collection is constructed of Hardwoods and select veneers.

Case fronts are framed with a light moulding and with the clean lined shapes, this collection is sure to create a style suitable for rooms of all ages.

Beds are the key ingredient in Midtown. The simple Platform Bed that includes a slat pack is a starting bed that will fit any child's room and also works as the foundation for adding additional sleep, study and storage pieces.

Add a Twin or Full size Panel Headboard, Twin or Full Storage Headboard to create multiple options. And then continue building from there by adding a Twin or Full size Footboard Dresser or add a desk at the foot of the bed. Or create two sleeping areas by combining the Corner unit and two Platform Beds on each end.

Whatever your room requirements are, we have the bed that fits your style and room.
